

AGENDA

Demo Day

Wednesday, October 7, 2026 · Atlas School, 15 N Cheyenne Ave, Tulsa

Welcome 10:30 AM · 10 companies · 2-min intro + 5-min pitch each · Scan any code to visit a company's website

- 1

10:35

Qnity

BRAZIL · DRUG DISCOVERY

Quantum electrochemistry device for ultra-sensitive, label-free detection of molecular interactions, enabling earlier, more precise drug discovery decisions.

- 2

10:42

Monte Caldera Technologies

MEXICO · ADVANCED MATERIALS

Deeptech platform using physics-based NESGLE modeling to replace trial-and-error materials discovery, cutting R&D timelines by up to 80%.

- 3

10:49

SphereBio

ARGENTINA · THERAPEUTICS

Patentable platform that manufactures individualized therapeutic cancer vaccines in under 24 hours, adaptable to many high-value diseases.

- 4

10:56

Bioeutectics

ARGENTINA · GREEN CHEMISTRY

Replaces toxic petrochemical solvents with high-performance, renewable deep eutectic solvents for pharma, personal care and food.

- 5

11:03

ByBug

CHILE · ANIMAL HEALTH

Engineered Black Soldier Flies convert organic waste into recombinant proteins such as animal vaccines and enzymes, licensed to breeders.

- 6

11:11

Kresko RNA Tech

ARGENTINA · FOODTECH

World's largest dietary RNA library and Serkanto AI platform create science-backed functional ingredients for food, supplements and cosmetics.

- 7

11:18

Kigüi

ARGENTINA · RETAIL AI / SAAS

AI copilot for in-store operations: computer vision detects phantom inventory, expiring goods and out-of-stocks, then assigns tasks in real time.

- 8

11:25

E-PICK

ARGENTINA · LOGISTICS

AI-powered last-mile logistics for e-commerce with flexible pickup, competitive pricing and a 99.3% on-time delivery rate.

- 9

11:32

Avedian

ARGENTINA · HEALTH TECH / SAAS

Compass platform uses multimodal AI and proprietary DRG algorithms to predict hospital discharge dates and avoidable costs; entering the U.S. with Mayo Clinic.

- 10

11:39

eBombo

PERU · HR TECH / EVENTS

AI-powered corporate event platform that quotes, designs and runs team events end to end, with 1,000+ events delivered across 9+ countries.

Thank you for joining us!
