

Hefner Middle School families,

Putnam City Schools has received information about a social media post threatening violence toward Hefner Middle School. Immediate action was taken by District and school administration and the Putnam City Campus Police Department to investigate. Based on criminal intel from the Oklahoma City Police Department, the threat was determined to be of low credibility.

While the threat has low credibility, the safety of our students and staff is still our top priority; therefore, we will have extra Campus Police Officers and OKCPD Officers on site tomorrow. Overall, we wanted to make you aware of the situation and let you know that it is safe to send your student to school.

Making a threat on a public school can have serious consequences for the perpetrator. Thank you to the individuals who reported the threat to administration. The safety of our students and employees is our top priority, and we appreciate your continued support of a safe environment. We look forward to welcoming our students and staff at school. Thank you.
